## PUBLIC NOTICE

The Silver Lake Sportsmen's Club reminds everyone of the danger of changing ice conditions on Silver Lake in Elysian Township in Le Sueur County due to the aeration system. Since the aeration system will cause thin ice and open water in the area near the pump, extreme caution is advised. The erosion of the ice is unpredictable and will vary depending on the direction of the wind. Though there is no public access to the lake, danger signs will be posted according to state law.
