Senior class officers 2023

President

Rhia Krautkremer

Involved in
National Honor Society, cross country, and track and field.

Where I see myself in 20 years
"I hope to have my degree in nursing and to be successful in my career. I also hope to have a healthy and happy family and to be married with children. Lastly, I hope to live near my parents and family."

Vice President

Henry Schendel

Involved in
National Honor Society (president), Business Professionals of America (state participant), student council, Youth and Education Alliance (YEA) Summit member; captain for football, basketball and track; alter server at church and working at the Twin Cities Marathon.

Where I see myself in 20 years
"I would like to still have a strong relationship with my family and have a job I truly enjoy working at and hopefully have a family of my own."

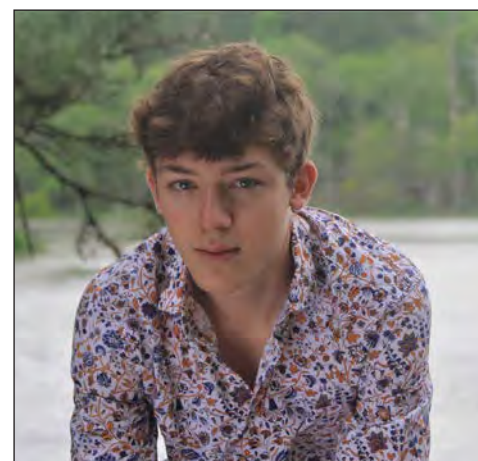

Treasurer

Brianna Schroeder

Involved in
Swim and dive team, National Honor Society, Future Farmers of America, Business Professionals of America; concert, pep and jazz band; working in an assisted living center, and in a student leadership group called HOSA.

Where I see myself in 20 years
"I would like to tell my future self to keep pushing towards success but make sure to spend time with the people you love. Time goes by too fast to take it for granted. Knowing this, in 20 years I hope I am succeeding in my career as a medical researcher and finding new treatments for people in need while having fun with my family and making memories of my own."

Secretary

Aven Prigge

Involved in
Cross country, soccer, basketball, baseball, track and field, trap shooting, student council, National Honor Society, German club (president), Business Professionals of America, Knowledge Bowl, musicals and plays; concert, pep, jazz and marching bands; solo-ensemble contest, prom committee, speech, Lonsdale Crawl, post-prom committee, card making, blood drives, vacation Bible school, and volunteering at church.

Where I see myself in 20 years
"Dear Aven,
I know whatever we're doing now, we are happy. I know we have people in our lives that we love and adore, and maybe have even found our better half. I could guess a million different things that you might be doing. I know right now I want us to be sitting in the house of representatives, or defending people in the court of law. I also assume we've gotten our music career off the ground and are probably known nationwide... or maybe we finally settled down and started that chicken farm we've always dreamed of. Wherever we are, I know we're happy. Love, Aven."

Congratulations to the Class of 2023

Principal Fitterer's message to graduates

Dear Titan Class of 2023:

Very soon you'll be in the spotlight once again. For many of you, you have always been in the spotlight for your achievements, your accomplishments, your successes, and maybe even some mistakes and challenges.

One incredible and unique piece about one's graduation from high school is EVERY graduate gets to take his/her/their walk across that great stage as you hear your name being called out to more than 1,200 people. It is your time to shine!

Many of you will decorate your lid, your board, your graduation cap with the flair of your personality. After all, you have purchased it & it will forever mark this day — your day!

Your grades will no longer matter, your school attendance is in the rear-view mirror, and each and every one of you has reached the ultimate at this point of your young lives! Enjoy the spotlight, as you have earned it!

CONGRATULATIONS!

We'll see you on Friday, May 26 at 7 p.m. on that stage under the bright lights!

Congrats TO THE CLASS OF 2023!

Where are the Titans going?

Jarrold Schoenecker
editor@montgomerymnnews.com

Students graduating from Tri-City United High School this year are planning on going into a wide array of directions after school. Of the 97 students we received information from at the time of publication, 78% (76) students plan on accomplishing higher education degrees, 17% (16) plan on entering the workforce, 4% (4) plan on entering the military and 1% (1) was undecided.

Most students who are seeking higher education are staying in relatively close proximity. Individual students who plan on moving further away decided on schools in Montana, New Mexico and Washington State. The remaining students are attending schools in Minnesota, Iowa, South Dakota, Wisconsin, North Dakota or still haven't chosen a school they want to go to (11 students).

Most Popular Schools by the Numbers

Minnesota State University Mankato	10
South Central College in Mankato	8
University of Minnesota Twin Cities	5
Dakota County Technical College	4
Iowa State University	3
Winona State University	3
Alexandria Technical College	2
Central Lakes College	2
Lake Superior College	2

The remaining students are going to schools without any other Titan alumni.

Most Popular Areas of Study by the Numbers

Nursing	7
Construction Management	3
HVAC	3
Animal Science	2
Elementary Education	2
Heavy Equipment Operation	2
Helicopter Aviation	2
Law Enforcement	2
Mechanical Engineering	2
Psychology	2

The remaining students are pursuing their area of study uniquely.

Of the students planning on entering the military, two of them are planning on going into the U.S. Army National Guard, one in the U.S. Army and the other in the U.S. Air Force.

Students who are planning on entering the workforce directly are as diverse as those planning on higher education. Expected job focuses after leaving high school include manufacturing, transportation, delivery service, retail, heavy equipment operation, landscaping, medical interpretation, woodworking and a few undecided.

The Montgomery Messenger and Suel Printing, Co. wishes the Tri-City United High School Class of 2023 the best of luck in their future endeavors!

THE GIFT OF Knowledge IS YOURS

May your education and experience as a student serve you well in your career and your future.

We wish you much happiness and fulfillment.

Tri-City United High School Class of 2023 Graduation

The Tri-City United High School Class of 2023 will graduate on Friday evening, May 26 at 7 p.m. in the high school gymnasium. Continuing what has happened in previous graduation ceremonies, pending 2023 graduates will have a set of eight graduation ceremony tickets to disperse as they would like by using our on-line VANCO ticketing program.

There is no charge for the graduation tickets, and a ticket for the ceremony is truly not needed. All friends, family and community members are welcome to attend the TCU graduation ceremony, but those with tickets

will be able to enter the gym to select their seats prior to those without tickets, from 6:20 to 6:40 p.m. At 6:40 p.m., the doors to the gymnasium are opened for all to enter and find a place to sit in a wonderfully air-conditioned gym.

Keep in mind that there will be a continuous free shuttle service between the TCU Montgomery Elementary and Middle School and high school prior to the ceremony, and the shuttle will run until the last rider is back to his/her/their vehicle after the ceremony. This shuttle service is provided at no cost to the school district and

no cost to the rider by Palmer Bus Service. It is a wonderful way to take the stress out of trying to park at the high school as the shuttle drops off and pick-up is curbside in the front of the high school.

We hope to see one and all at the graduation ceremony to support and send off the Tri-City United High School Titan Class of 2023 to the next stage of their lives!

Mr. Alan R. Fitterer
Principal, Tri-City United High School
