WHEREAS, the Le Sueur County Planning and Zoning Com-

mission held a public hearing on January 14, 2021 in order to hear public testimony from the applicants as well as interested parties pertaining to and as provided by the Zoning Ordinance of Le Sueur County.

WHEREAS, the Le Sueur County Planning and Zoning Commission, acting as an advisory board to the Le Sueur County Board of Commissioners recommends Approval of the application due to the following findings:

The proposal reflects and is consistent with the goals and policies of the Le Sueur County Land Use Plan.

The proposal is compatible with the overall character of existing development in the immediate vicinity of the affected property. Consideration shall be made if there are similar land uses nearby or if the proposed use would be isolated.

The proposal will not have an adverse effect on the values of adjacent properties.

The proposal will not be injurious to the use and enjoyment of other property in the immediate vicinity for the uses already permitted.

The proposal will not impede the normal and orderly development of surrounding vacant property for predominant uses in the area.

The density of the proposal is not greater than the density of the surrounding neighborhood or density indicated by the applicable Zoning District.

Adequate utilities, access roads, drainage, and other necessary infrastructure are being provided.

Soil conditions are adequate to accommodate the proposal.

The proposal will not create a potential pollution hazard.

The proposal will not degrade the water quality of the County.

The proposal will not have a negative impact upon natural resource areas such as bluffs, wetlands, water bodies, agricultural land, woodlands, and aggregate resource deposits.

The proposal will not negatively affect the protection of the public health, safety, and general welfare.

The proposal will not negatively affect the protection of the public health, safety, and general welfare.
